Spring Holidays 2010

MSAC PLANET SPORT OUTSIDE SCHOOL HOURS CARE APPLICATION

After beginning the process of applying for an Outside School Hours Care (OSHC) license through the Department of Education and Early Childhood Development (DEECD) it has been established that due to MSAC Planet Sport's high focus on sport we fit the criteria of a Sports Camp. Sports Camps are not governed by DEECD but are regulated by the individual organisations. The State Sport Centre's Trust governs MSAC Planet Sport's policies and procedures, therefore will not be continuing with this process.

HOME BASE IS MOVING MONDAY 27TH SEPTEMBER – FRIDAY 1ST OCTOBER

Due to major event bookings in the second week of the holidays, Planet Sport will be located in the Champions Room from Monday 27th – Thursday 30th September and the Outdoor Pool Marshalling Room on Friday 1st October. Both rooms are located at the opposite end of the centre to our usual home base. The Champions Room looks out over the outdoor competition pool and the Marshalling Room is on the pool deck of the Outdoor Competition Pool. We recommend that for this week you enter the centre via the revolving doors at the aquatic entrance then proceed up the stairs to your right for the Champions Room and to your left for the Marshalling Room. (Directional signage will be in place.)

PROGRAM AND BOOKING CLOSURE DATES

Bookings Open – Monday 9th August 2010

All Bookings close – Thursday 16th September 2010 at 5pm

Program Week 1 – Monday 20th September – Friday 24th September

Program Week 2 – Monday 27th September – Friday 1st October

PROGRAM CHANGES

To support the continued growth of Planet Sport there will be a price rise from the coming holidays. These changes reflect the increase in the number of specialist coaches, children will be identifiable across the centre in their free Planet Sport T-shirt and they will be provided with a Planet Sport drink bottle to keep them well hydrated during these extra sports sessions. We are looking in to external excursions that will be included throughout some holidays, but more information will be provided on these at a later date.

The new daily cost is \$50 per child. Week long bookings will continue to get a 10% discount.

ENROLMENT FORM

When bookings open, the form will be located on the website as an editable PDF and a Microsoft Word file. It will also be printed and located at both the main and aquatic customer service points in the centre. We are looking at an online enrolment system but until this occurs we must continue with our current processes. Thank you for your patience and for assisting us in the completion of paper work for the new enrolment process that was established due to the license requirements.

FEEDBACK

We are always keen to hear what the Planet Sport families are thinking so we have put an evaluation form on the Planet Sport page of the MSAC website that you can download and complete. Alternatively, please feel free to email planetsport@ssct.com.au to let us know.

We look forward to seeing you in the spring holidays.
